Directory of Qualified Testers

The Directory of Qualified Testers is a promotional directory listing qualified occupational and educational testers who wish to promote their services to the general public via a paid entry.

Qualified testers featuring on this directory all hold the appropriate level of BPS test user qualification and have a current entry on the Register of Qualifications in Test Use (RQTU) which is the official record of all active and current test users who have agreed to abide by the Code of Good Practice for Psychological Testing and to maintain their competence in test use.
